**RECOGNIZING UNCOMMON
BRILLIANCE IN THE TRAVEL INDUSTRY**

WHAT THE JUDGES ARE SEEKING...

JUDGES SCORE AN ENTRY BASED ON THE FOLLOWING CRITERIA:

RELEVANCE (Objective)

What is the communications or marketing objective of the entry? Does it reflect a targeted approach directed to an audience's needs and interests?

FOCUS (Strategy)

Is there instant recognition that "there is something here for me?" This is the five-second test.

DIFFERENTIATION (Strategy)

Does the entry clearly separate itself from the competition? Does the entry clearly state advantages of its proposition?

ACTION (Execution)

How well did the entry ask for the sale? Is there obvious communication of "what to do" once the message strikes home? How well does it promote the service or product?

BREAKTHROUGH (Result)

How well did the entry meet the objective (if applicable)? If results can't be determined yet, are there preliminary results or a plan to measure? Did the entry have stopping power?
